

SPEAKER:

Michael Gooch, MSN, ACNP, FNP, CFRN, CEN, EMT-P

Michael brings over 12 years of nursing and EMS experience to Med-Ed. He has worked in various settings ranging from rural emergency nursing and primary care to a Level I Trauma Center, as well as ground and air medical transport. Michael received his MSN from Vanderbilt University where he focused on emergency and trauma care as an Acute Care Nurse Practitioner. He completed his Post-Master's Family Nurse Practitioner at Vanderbilt and has presented many topics, including certification review courses, on both the local and national level. Michael is employed as a Flight Nurse for Vanderbilt LifeFlight in Nashville, TN and as an Emergency Nurse Practitioner with TeamHealth and The Schumacher Group. At Vanderbilt he serves as the coordinator for EMS Night Out, which is a division of the outreach education program. Michael is also a member of TN-1 DMAT (Disaster Medical Assistance Team) which is part of the National Disaster Medical Systems. He has been involved in disaster relief efforts on several levels to include Hurricane Katrina and Rita.
